

Appetite

Words & music by Barnz ©BarnzMusic 2025

[Verse 1]

As the deer pants for water, my soul longs after You
As the grass thirsts for rain, my heart yearns for You O God

[Chorus]

Give me an appetite for You O God
My love for the world must fade away
Give me an appetite for the things of God
May my soul be satisfied in You
May my soul be satisfied in You

[Verse 2]

In this world of many lies, my mind is hungry for Your truth
In this world of many toys, my heart yearns for more of You
In this world of many songs, my soul longs to hear Your voice
In this world of many trials, my joy is complete in You

[Bridge]

Let me be satisfied in You
Let me be so satisfied in You
Let me be satisfied in You
Let me be satisfied in You alone
No one else (last time: but You Jesus)
