## [Verse]

Our God is with us, rising above us, we will not be moved  
Come on let's go up, to the place prepared for us, relentless in Him we pursue.  
Our God is for us, who can stand against us, we lift our hands in praise.  
Come on let's get up, face those against us,  
the Lord of hosts His Name we raise.

## [Pre-Chorus]

We will win, for we fight from victory;  
God goes before us, triumphant victory is His!

## [Chorus]

O God, You are great, God!  
The battle belongs to You,  
we stand victorious in You!  
O God, You are great, God!  
We worship You with one voice,  
our hope is glorious in You!

## [Bridge]

You have the victory, Victorious One,  
Magnificent, Amazing God!  
You have the victory, Victorious One,  
Magnificent, Amazing God!  
You have the victory, Victorious One,  
Magnificent, Amazing God!  
You have the victory, Victorious One,  
Magnificent, Amazing God!

## [Rap]

There was a man called Daniel, he got three good friends  
They were surrounded by foreign gods in a land of darkness  
Their names were changed and their religion challenged  
They were hated by people  
they were persecuted by enemies  
Yet they did not deny Yahweh God  
They were thrown in a den of lions, put in a fiery furnace  
But God was with them, He delivered them from it all  
The great God was fighting for them, they couldn't be harmed, they couldn't be killed  
They were favoured, protected and promoted  
'Cause they were loyal to God Almighty, they were loyal to God Most High!  
Yo listen to me brothers and sisters  
The story about Daniel ain't just a good Bible story  
This is real life, it really did happen  
And it's more than a story, it's a testimony about Sovereign God, to tell us today that we  
gotta be like Daniel, gotta be like Daniel

He showed us when we stay true to God, when we stand firm in the faith, God will deliver us, God will fight for us!

[Chorus]

[Voices only]

O God, You are great, God!

The battle belongs to You,

we stand victorious in You!

O God, You are great, God!

We worship You with one voice,

our hope is glorious in You!

[Chorus]

O God, You are great, God!

The battle belongs to You,

we stand victorious in You!

O God, You are great, God!

We worship You with one voice,

our hope is glorious in You!

We worship You with one voice,

our hope is glorious in You!

We worship You with one voice,

our hope is glorious in You!
