

Holy One

Words & music by Barnz ©BarnzMusic 2025

[Verse 1]

Creator of light and darkness
Maker of day and night, You are the holy One
Creator of earth and heaven
Maker of land and sea, You are the holy One

[Chorus]

When I think about the heav'ns above
How You made the moon and stars
Lord, I wonder what You ever saw in me
When I think about Your nail-pierced hands
How You suffered for my sin
Lord I wonder, O I wonder, why You love me
Savior and my Lord, Righteous God and Friend
You are the holy One

[Verse 2]

Creator of my world, Maker of my life
You are the holy One
Redeemer of my soul, Sustainer of my hope
You are the holy One

[End]

Lord I wonder, O I wonder, why You love me
Yes I wonder, O I wonder, why You love me
Lord I wonder, really wonder why You love me
Savior and my Lord, Righteous God and Friend
You are the holy One
