

Who Can It Be

Words & music by Barnz ©BarnzMusic 2025

[Verse 1]

Who can it be who walks against the grain
Stands out in a crowd, different from the rest
Who can it be who lives life on the edge
Stands out in a crowd, different from the rest
Who can it be? Who can it be?

[Verse 2]

Who can it be who talks about the rain
Prays for rain from heaven, revival in the land
Who can it be who gets down on his knees
Prays for rain from heaven, revival in the land
Who can it be? Who can it be?

[Pre-Chorus]

It's the people of God, called by His Name
Living for Him, God's chosen generation

[Chorus]

With hands in the air
Lifting up the Name of Jesus the King
With eyes fixed on Him
Calling on the Name of the Lord
With hearts set on fire
Filled everyday with the Spirit of God
Unwavering purpose
Living our lives for the King

[Rap]

Yo the people in the world tells me to do what I like to do
They say just do whatever you like and have a good time
Nobody cares, nobody knows and it's all good as long as I am happy
But the Bible says the fear of the Lord is the beginning of wisdom
And blessed is the man who walks not in the counsel of the ungodly
The people of the world says come hang out with us
But the Bible says stand not in the the path of sinners, and sit not in the seat of scoffers
So I'll stand not in the path of sinners and sit not in the seat of scoffers
'Cause I'm living for the King, that's all I want to do
Just to live my life for the King
